THE NATIONAL ARCHIVES
NATIONAL ARCHIVES AND RECORDS SERVICE
GENERAL SERVICES ADMINISTRATION

Washington: 1961

INTRODUCTION

On the 275 rolls of this microfilm publication are reproduced the compiled service records of Confederate officers and enlisted men who did not belong to any particular regiment, separate company or comparable unit, or special corps. This class of military personnel included general officers, officers and enlisted men of the so-called staff departments, members of army corps, division, and brigade staffs, and various appointees with a special status such as aides-de-camp, military judges, chaplains, agents, and drillmasters. The so-called staff departments were those of the Adjutant and Inspector General, the Quartermaster General, and the Commissary-General, the Medical Department, and the Ordnance Department. The Corps of Engineers, the Nitre and Mining Bureau, and the Signal Corps were considered to be special corps rather than staff departments; compiled service records of their personnel have been reproduced in Microcopy 258, "Compiled Service Records of Soldiers Who Served in Organizations Raised Directly by the Confederate Government."

The compiled service records consist of a jacket-envelope for each soldier, labeled with his name, his rank, and usually the capacity in which he served. The jacket-envelope typically contains (1) card abstracts of entries relating to the soldier as found in original appointment registers, lists of staff officers, lists of quartermaster or commissary officers, registers of medical personnel, returns, muster rolls, inspection reports, receipt rolls, hospital registers, Union prison registers and rolls, parole lists, and oaths of allegiance; (2) references to special orders, other orders, and miscellaneous original or published records; and (3) the originals of any papers relating solely to the particular soldier. The jacket-envelopes are arranged alphabetically by soldiers' surnames, and there are cross-references for soldiers' names that appeared in the records under more than one spelling.

These records do not include any earlier or later service of the soldier in a regiment, a separate company or comparable unit, or a special corps. For such service there should be a separate jacket-envelope for the soldier among the compiled service records for each organization in which he served. The compiled service records for organizations from particular States have been reproduced in separate microfilm publications.

The compilation of service records of Confederate soldiers was begun in 1903 under the direction of Brig. Gen. Fred C. Ainsworth,

head of the Record and Pension Office of the War Department. Abstracts were made from documents in the War Department Collection of Confederate Records and from documents borrowed by the War Department in an effort to obtain as nearly complete military service records as possible. The abstracts made from the original records were carefully checked to ensure that the abstracts were accurate.

Two separate indexes contain entries for the service records reproduced in this microcopy. One is an alphabetical card index covering these records specifically and records of soldiers who served in units raised directly or otherwise formed by the Confederate Government. In this index each card gives the name of the soldier, his rank, the unit or capacity in which he served, and often a statement about the origin or background of the unit. Entries in this "non-State" index are duplicated in a "consolidated" or master index (reproduced as Microcopy 253) that contains the names of all Confederate soldiers found in compiling the service records, regardless of their position or assignment.

The compiled service records reproduced in this microcopy and the indexes referred to above are part of Record Group 109, War Department Collection of Confederate Records.

Compiled service records that might be expected to be among those in this microfilm publication may not be included for several reasons. First, the soldier may have served under a different name or used a different spelling of his name. Second, proper records of his service may not have been made by the Confederate Army; or, if made, they may have been lost or destroyed in the confusion that often attended initial mobilization, subsequent military operations, or the final surrender of the Confederate military forces. Third, the references to the soldier in the original records may have been so vague that it was not practicable to determine his correct name or the capacity in which he served. For personnel not belonging to an organization regularly submitting muster rolls, the service is not documented very systematically; most entries relating to such service are one-time or occasional entries.

The National Archives has other records that contain information relating to Confederate soldiers. Among them are card abstracts and personal papers that were accumulated by the War Department to be interfiled with the regular series of compiled service records but were not interfiled, for one reason or another. The usual reason was that the information was insufficient or contained discrepancies and could not be positively identified with any soldier for whom there was a compiled service record. Other reasons were that no compiled service record had been established on the basis of regular service

records and that the item did not provide enough evidence to justify establishing one. These card abstracts and personal papers, which are arranged in alphabetical order by name of soldier, are reproduced in Microcopy 347. They are not indexed.

Sometimes supposed Confederate military service is shown by the records to have been service in a civilian capacity, as in the case of government employees. Evidence of such service, or of having aided the Confederate cause as a civilian in some other way, may sometimes be obtained from a series of records known as the "Citizens File," consisting of Confederate documents each of which relates to a particular civilian (reproduced as Microcopy 346). They are arranged alphabetically by name of person and are not indexed.

Other information about the activities of Confederate civilians is contained in a similar unindexed series of documents accumulated by Union provost marshals and known as the "Provost Marshal File." Some of these documents have been filmed under the title of Union Provost Marshal's File of One-Name Papers Relating to Citizens (Microcopy 345).

Captain. I have the honor to acknowledge the receipt of Special Order No. 5 dated Head Quarters Dept of Texas, Arizona and New Mexico, Galveston January 17/83. directing me to proceed without delay with my Company to Kinggold Barack.

I would respectfully state that I have made a requisition on the Asst Quartermaster at this place for the necessary transportation and as soon as that is furnished I will take up the line of march for the point designated in the order.

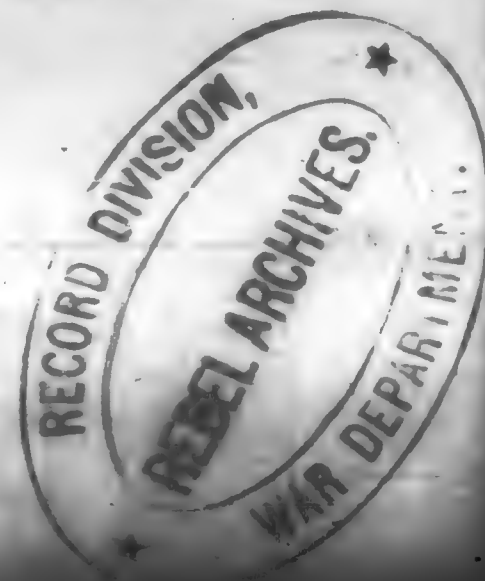

I addressed a communication some days since to Maj A. L. Dickinson A. L. asking to have my Company filled to the maximum by the assignment of Conscripts. Maj. Sir
Having served in the ^{Confederate} Army

since February 1862 as a commissioned 1st Lieut.,
and I obtained in conformity with an Act of Congress
entitled, "An Act to provide for certain Revenue
Officers." I most respectfully ask for promotion
reasons herein stated.

I was brought up from boy-
hood and educated at the ^{Common} School of the old W. S.

1st Maine Battery. From which I re-
ceived an account of disservice principles.
I was ordered after my appointment in our Army
to report to Fort Bankard, who ordered me to
Fort Pillow where I was assigned to duty as in-
structor of Heavy Artillery (Capt. Callipique in com-
mand) and during the bombardment of two months
I had charge of Capt. Jones' company.
I was detailed to serve on board of one of Mont-
gomery's Gun boats in the fight above the fort, when
two of the Union boats were sunk, one badly dam-
aged, & the remainder put to flight.
I was also on board the same boat (Capt. Lovell) in front
of Memphis, during the Gun boat engagement after
the evacuation of Fort Pillow, where the enemy had

Abstract The purpose of this study was to determine the effect of a 12-week training program on the physical fitness of 10-year-old children. The study was conducted in a primary school in the city of Ankara, Turkey. The study group consisted of 20 children (10 boys and 10 girls) who were randomly selected from the 10-year-old children in the school. The children were divided into two groups: a control group and an experimental group. The control group did not participate in any physical activity during the 12-week period, while the experimental group participated in a 12-week training program. The physical fitness of the children was measured at the beginning and at the end of the 12-week period. The measurements included heart rate, blood pressure, and body mass index. The results of the study showed that the experimental group had significantly higher heart rates and blood pressures at the end of the 12-week period compared to the control group. The body mass index of the children in the experimental group also increased significantly. These results suggest that a 12-week training program can improve the physical fitness of 10-year-old children.

Gen. A. Campbell

Gen. I am directed
by the 1st Santa Anna Brigade to return the En-
commissions of Major John W. Cowles, 1st Brigade
and Capt. C. H. Jackson, 2nd Bn. 5, which they
refused to accept the former on account of
ill health the latter from having been recently
discharged. Asst. Secy of War. This notice
of the non acceptance of their appointments
was by General Sherman on account of their
absence from the Command.

The General recommends
that Capt. A. B. C. be appointed
1st Bn. 5, 1st Santa Anna Brigade, and Capt. A. B. C. be
appointed 2nd Bn. 5, 1st Santa Anna Brigade. Their commissions to
be dated from the 21st of March 1864. To
be recommended for appointment of Capt. Thomas
H. Brown as 1st Bn. 5, 1st Santa Anna Brigade. To be
commissioned to date from 1st of July 1864 and
requests that the commissions of Capt. Brown 1st Bn. 5
be dated from the 1st of July 1864. The former
the 21st and the latter from the 1st of June

To make it clear that the Secy of

his licensed land and his staff rank from the
1st March 1863 and commenced his service
as his and Chief Engineer from that date; that the
regiment was organized, and the rolls forwarded
to him the same agreed upon for the 1st March 1863
and on a plain rank "Road" but it is a different
one. But at midnight, and in consequence thereof
he sent out "that his rank and position
be left as such by the date of his Commission
and will therefore place him under the Command
of whom he ranked in the Party part of the
and who have suffered not only loss in the war
himself, but who received their best military
education from him. Yet he makes no Com-
plaint, but respectfully requests that his rank
be not prejudiced by circumstances over which
he had no control.

The General, however, in
his reply to him, the General
said that as it would be impossible for
him to have it separated, he would have
the prominent citizens of Alabama have
an audience of considerable number of them
to organize by Spring, and as the
Constitution. If it be the wish
of the Government, whilst the Ensigns are in service
the General will make the effort.

Point Look Out, Tenn 18.
April 8th 1865.

Sir,

We desire most respectfully
to communicate through you to the
General Commanding the adjoined
statement. - We were ordered by
Genl Wood, on his retreat from
Nashville, to remain respectively
at Memphis and Paducah Tenn, in
charge of our sick and wounded
- We were relieved from duty
about the 10th 21st and sent forward
for exchange, or unconditional re-
lease, (which latter disposition of
medical officers has frequently been
made) and we think it probable
that we would have been sent
forward from camp before at an
earlier day, but for the fact that
the commanding officer retained

to assist in attending the sick
and wounded (en route), who came
with us to this Post. - We wish to
know whether Medical Officers are
considered strictly as Prisoners of
War? If not, we wish to be for-
warded to our commands at as
early a day as practicable, presum-
ing that military operations will
continue indefinitely the neces-
sity of a general exchange. -
There are with us two other
Medical Officers, one of whom was
left sick in Tennessee, - the other
was captured in North Ala.

Any information upon this subject
will be properly appreciated by

Yours Obedt Servt

P.S. We omitted to suggest that
Lutka, Miss has been agreed upon
as a point of exchange between
the U. S. Authorities & Gen. Forrest
and that if no other point of
exchange is practicable now, we
would prefer being sent to Lutka
for exchange, if the Authorities
consider our claims favorably

Very Respectfully

Comdys Trans Miss Dep South of Red line

Sir:- Under authority issued by Maj Genl J. G. Hindman June 2^d 1862, & recognized as valid by yourself I have raised a regiment of Partisan Rangers. The regiment is now in camp of instruction at Camp McCulloch in McLennan County Texas, and is very much in need of an Asst-Quartermaster and Commissary. This regiment having been raised in your Department, and you being the nearest Genl in Command, it is right and proper that you should be consulted in the appointments to responsible offices. I have selected John Sherry for Quarter Master and Wm W Slaughter for Commissary. They are both men of integrity and good business qualifications. I herewith hand you their bonds which I know personally to be good. If it meets your approbation please sanction the selection I have made, giving to each the rank of Captain and ordering them to report to me for duty.

Dec 15th 1864

To the Officers Comd'g 3rd & 4th

On or about the 26th day of
October last, I made application to Col.
Geo Kirby Smith for an order to go before a
military board with the intention of asking
to be retired. I did that instead of tendering
my resignation, which the state of my health
fully justifies because I wished to be
identified with the Confederate Army as long
as we have an Army engaged in the
present contest for independence, intending
to ask for service as soon as I got able if
I ever should be at a Post, not but what I
propose field service to any other if I could
endure the hardships incident thereto any
longer.

I do not desire to be identified with the
Army and be called a Confederate soldier
for any profit arising therefrom. For the
pay I could draw is worthles, where I live
for any thing except to pay tax; nor, to
evade conscription as I have never been
subject to conscription under any law
passed by the Confederate Congress.

My application was disapproved on the
ground of my ~~being~~ being diseased

Since when I entered the service in 1862
I have thought that having rendered
uninterrupted service for sixteen months
before my health failed I would probably
be entitled to a retrograde.

There is no alternative left save to
resign & continue to hold my position
in the Army without being able to render
service, and considering it indispensable
with the interest of the service as well as
with the private interest of myself
to be absent from my command
for a longer time than 60 days, I hereby
tender my resignation, hoping that
it will meet with your approval
as well as that of your superior offi-
cers, and that I may be discharged
from the service.

Accompanying this is the Surgeon's Certificate
of disability as the basis of the tender.

I am very respectfully
Yours, &c. &c.

Having applied for a Certificate on which to ground an
application for discharge we do hereby certify that we
have carefully examined this officer and find him
incapable of performing the duties of his office because
of "Phthisis Pulmonalis" (Pulmonary Consumption) from
which he has suffered for several years, late exposures
to camp has very much aggravated the disease, one lung
is almost entirely useless and the other diseased and that
in consequence thereof he is in our opinion unfit for
duty we further declare our belief that he will never
be able to perform the duties of his office or any

I certify that I have carefully examined Asst^t Surgⁿ

of an Asst^t Surgⁿ because of Chronic Diarrhoea which is seriously
affecting his general Health, and has already produced considerable
debility. The disease has existed for the past eight weeks, and
is attended with Excess of mucous discharges. It cannot
be traced to any immediate cause, but Asst^t Surgⁿ Abney has been
affected several times in the same way in the past six years.—

Comp. me from Aunt Sarah 25th 1863

Dear Sir,

Thinking to the distance in my family &
am continuing to expect to give for a year
though I have been out of the regular order, yet
I hope to be successful.

I have now received and taken possession of the
left of Sharpsburg. The manner was thought out to
be suitable. I have now returned from the
city, but have been so long, and no intelligence
has been heard from him. My wife's health has
declined since the occurrence, and being
of a nervous temperament, she is now near to
a very feeble state, of both body and mind.
I have not been able to leave home, but I hope
to get a furlough about the 1st of June, but I
am so situated that it will be impossible to get
my affairs going here. As I am of the 2nd Regt. I am
now detached, and under Genl. Chase, I am
not that detached, it is impossible under the
circumstances to get a furlough. The Col. objects
if I could get the consent of the Genl.

Now can you not send a layman or an Assistant
in my place for a few weeks? I think I may go
home, and possibly I can return my wife to health.
I feel a deep interest in the great cause
in which we are engaged, and I sincerely desire
to be an active participant in it. I fear I
shall have to weigh if there is not a charge

Wilmington N.C. Oct 14/64

Dear Major:

I reached this charming place last night, having fortunately made all connections on the route, & found considerable of a crowd on account of yellow fever, which had only a tendency to increase my appetite. I requested the steward to get me all the information all the information relation to stores on hand for ship's use - which is now limited to about 100 lbs Pork & 15 lbs Fish, as the Pork & Fish & Malt Meal - 55 lbs former & rest of latter - cannot be carried as the greater part has been thrown overboard to save the vessel. I will know tomorrow what has been secured & will telegraph you. The stores for you will go forward without delay. Capt Brock informed me in reply to inquiries about bread & stuff that he had not 3 days supply in hand, but was a day today from Mr. Grier stating that 500 lbs Flour was going forward. I telegraphed Mr. Grier to ship 200 lbs Flour immediately & will see to my arrival at Charleston that it goes on without delay. I think the interests of the service require that Capt Brock should be relieved from all important duties. He is a mere machine, not as good a man, & cannot act as an officer himself - the bulk of this command has had

no success since the issue was commenced,
simply because McK's first application to
Mr. Shaw ^{for information} was answered that he would be informed
as soon as possible relative to the same. I wait
3 months & apply to no one save Mr. Shaw because
he was orderd to report to him, shows how
little reliance can be placed on him; & now that
Quil Whiting is agitating the subject he tells that
Mr. Shaw's failure to give him information &c.
I merely mention this circumstance as illustration
of the man's simplicity. I met Quil Whiting
this a.m. at the office of Mr. C. & C. & was in-
-formed to him as an officer looking after
Company stores &c. He said that he would
stop the North Atlantic Cargo because his men
had nothing to eat & that he had written to
the A. S. I informed him that ample provisions
had been made from the Pioneer's Cargo (which
he ought to have known if he had made the inquiry)
that efforts were now being made to give him
bread, which he accepted as satisfactory. He said
that if the enemy gave him 30 days more he would
feel all right. Notwithstanding the efforts of
Mr. Shaw & my friend, Mr. Ditzel, (who failed
to find out Mr. Gilman's pleasure)
I have been unable to get any information
from the ship to the agents, &c.

of News &c. who were about sending it by Express
and as they had it ready I concluded to let it go
requesting ~~that~~ ^{it} to be valued at \$1200. Mr. C. & C.
Shaw & Mr. Merino think for Reynolds are in
the bundle. Please take care of the former & deliver
the latter. I will see it Charleston & Columbia
what nice things I can get. Very few good
here.

Will write from Charleston telegraph
if necessary. Respect to the gentleman in the
office.

Very truly Yours
J. A. Harris

I met Capt. Moore at Florence, & had a short talk
with him. He says that in a short time he will
be able to get a large quantity of Corn. I urged
its collection without delay & rapid shipment to
us. It would probably be advisable to direct
Mr. Morrison to give instructions to his agents
about the matter so as to have as many men
as possible to draw from & quickly return them
on home. I had not time to see Mr. M.

Colonel:

I respectfully request that application
be made to the Sec of War for the permanent
assignment to duty in this Bureau of Private
J. C. Abrams, Louisiana Guard Artillery.

Abrams was detailed for duty in the Adj't Genl's
Office of Genl G. W. Smith, and upon his res-
ignation and my assignment to duty in this
Bureau, was placed in charge of the Returns
from the various depots throughout of the
Confederacy, which exhibited the condition of
the Commissariat. In the discharge of
this most important duty, requiring ever
great care and unremitting attention, in order
that correct statements of the location and
amount of supplies could be furnished
when applied for by you - he has most suc-
cessfully performed the labors assigned him,
and it is of the greatest importance that
his valuable services should be retained
in this Bureau.

I am, very respectfully,

Sir

I have the honor to inform
through you, to the Secretary of War for the
appointment of Chaplain to Hospitals, being established
at Culbertson, as directed by Surgeon General
circular number twenty, dated Richmond Va
Nov 28 1864. I am an exile from Memphis Tenn
having been banished by order of Gen Mitchell, July
1853 and more recently been performing the
duties of Presiding Elder within the bounds of
the Florida Conference, but have resigned that position
with the view of seeking a Chaplaincy to Hospitals,
believing that I can better subserve the cause
of Christ in that capacity than in any other. I
over fifty years of age and have been engaged
in the regular work of the ministry nearly a
quarter of a century.

Subjoined will be references which I trust will
be satisfactory.

His Excellency Jefferson Davis
President of the Confederate States.

I would respectfully inform you
Excellency that by the death of Capt. J. W. Byrd in Cuba
last the office of A. D. M. of my regiment became vacant

the endorsement that Capt. Washiel had been appointed.
Capt. Washiel not reporting to this command I again
on the 5th March made application to the War Dept. in
favor of Wm. Adams who has been acting as A. D. M. since
October with entire satisfaction to the entire regiment.
I beg leave to state to your Excellency that Wm. Adams
went through the war with Mexico in the 1st Texas Regt. in
the company commanded by Lieut. D. H. Russell. I am the only

Surg. Walter J. Adair is not found in Special Orders

Col. William P. Adair commanded the 2d Cherokee

to show him holding higher command. But in
Vol. 48-2, pp. 1100, 1103, he signs (July 20, 1865) as
"Late Col., Comdg. 1st Indian Brig., Dist. of Ind. Terr., P. A. C. S."
April 17, 1867. - Vol. 34-3, p. 776, he signs as "Col., Comdg. 1st Ind. Brig.,"

Captain

I sent up tomorrow 143 convalescent soldiers, returning to duty. The Surgeon in charge of the Camp for convalescents at this Post having complained of an insufficiency of tents, I have despatched an officer to Okaloosa, where there are a number of tents for this Post and shipped for this point but owing to some irregularities of the transportation have not reached here, with orders to have them forwarded on the first down train, should he meet with a refusal to transport them he is to arrest the party refusing.

Captain Harris, Engineer, arrived to-day, with three assistants. The Liege train also arrived.

Captain H. will assume the direction of the fortifications immediately. From my instructions from the General Commanding, I have inferred that the fortifications were to be made on the most prominent points near to Columbus, and to be manned by the force at present here or one equal to it. I, today telegraphed to the General to know if I am correct on this point.

The surface is covered in a dense, grainy pattern of dark and light areas, with some darker, irregular shapes that could be ink smudges or damage. The overall appearance is aged and worn.

Captain

I have the honor to forward you the Morning Report of the forces at this place. The Report sent previously was incorrect, and several additions have since been made to the Aggregate by the arrival of new companies. The 36th Miss. arrived today, numbering I do not think more than 400 men.

Maj. Hunt, today issued arms to 370 men at this Post, he says he has instructions not to issue arms except an order from the Head Qrs. of the Department. The stores of the Government at this point would require an effective guard, and I would suggest that Maj. Hunt be directed to furnish the arms that may be necessary for that purpose to the troops at this point.

Understanding that Capt. W. Carroll Hall

division has been permanently detached
I am glad to hear that General Trimble
that James M. Adams who was
long since nominated by Brig General Hoke
for the position of A. S. Genl for his brigade
is appointed to that office. The brigade is
now here for some time without an A. S. Genl
Adams who is a sergeant in the 21st
regiment assigned in Hoke's brigade has done
duties since the 1st of April last. He
is well qualified for the position, and I make
application as General Hoke is about
nearly wounded. General Hoke's nomination
will I presume be found on file in your office.
As Adams has done the duties since 1st
of April I respectfully suggest that his

Hoke's Division July 29 1864

I respectfully recommend Capt. Adams A.C.B. of Hoke's Brigade for promotion to the rank of Major & A.C.B. and ask that he may be ordered to report to me for duty as Inspector. Capt. Adams was appointed Capt. & A.C.B. for his gallantry from the ranks and assigned to me for duty, since which time he has shown himself to be an efficient Officer. His services are particularly valuable to me upon the field as a Caval, Scout, and an Officer of judgment. On one occasion he preserved my line of battle by his quick perception by rushing forward on his horse, and urged the men forward. I only speak of this to show that at such times he fears not the exposure of his person. Certainly if there are any promotions in this Dept. Capt. Adams has shown himself entitled to it. But should he be not promoted I sincerely hope he will be ordered to me with his present rank. He was recommended for this position in May.

Dear Sir,
I have the honor to state what I know
of the personal appearance and effi-
ciency of the late Major General
John Adams only to say that
Major Adams was
of a fine and noble character, I
met him during
his stay in the city and saw him drink
teetotalism to the bottom of his nature on any
subject of importance. I have known him
for many years at his residence here.
He was a most respectable
and efficient officer of the Army,
and as Commandant of the Post,
and in all respects to his
duties. I have heard no complaints
of him in any of his various
positions and I have seen him
perform his duties with
efficiency and efficiency.

Very respectfully,
John Adams

I have been your enquirer, in
 relation to the Adams, while
 they were in the pleasure in
 your company as neighbours, - that
 my children in his family, I
 met in the office, during business
 hours, almost daily. -
 I have seen the slightest evidence of
 his prompt
 devotion to the du-
 ty of his office, the plea-
 sure of his family, and the pre-
 vailing conviction, that
 he was a good man, and that that was
 the only way in this dark

He did all facts with great cheer
and began to say that but some-

My Dear Sir

In reply to your note of inquiry touching the habits of Brig. Genl. John Adams, whilst in this Community as Commandant of the Post, as to intemperance &c. I cheerfully state, that I never saw him at any time, under the influence of ardent spirits. that I am aware of. nor do I believe that he indulged or drank to excess at any time. whilst a resident of this place. I am satisfied he did not. It happened that I had very little social or official intercourse with the General, during his stay, in our Community; but my office being near his, I saw him on the street almost every day and frequently several times a day.

Very Respectfully,

Yours &c

Concerning in what Major William Harrison
has said in reference to Genl John Adams, I
will add that I repeatedly called at Genl
Adams' residence while he was in command
of this Post, and as repeatedly called on
him at his office and more frequently saw
him either on the streets or at the Quartermaster
Office on business, and that I never saw
him drunk, take a drink, or when I believe
him to be under the influence of intoxica-
ting liquors.

He seemed to me prompt and attentive
in the discharge of his official duties as
Commandant of the Post so far as I had
an opportunity of judging.

Yours truly,

Having been informed that Col Adams
has been charged with being inefficient, and in-
efficient, as an officer in command
of the Post at this place, and being requested
to state my knowledge and opinion on the
subject I take pleasure in saying that during
Col Adams' presence in this place I was fre-
quently brought in contact with him in bu-
siness matters - and during such intercourse
invited him to dinner, and at times
did very temperately. I further state
that I never saw him intoxicated or likely
to become so on any occasion whatever, as
to his capacity as an officer I know of no
objection to him. The charge appeared atten-
tive to his duties as far as my observations
extended up to the time of his leaving
here for Jackson.

In reference to the charges against Genl Adams. - I was not intimately acquainted with him during his residence in Columbus; but met with him frequently and have transacted business with him at his Office.

In my opinion he was never under the influence of Ardent Spirits when I saw him; nor do I believe that he indulged in drinking to excess while a resident of this place.

As I know but little of the nature of his official duties, when in command of the Post, I am not prepared to express any opinion.

Having been informed that Col (now General) Adams has been charged by Mr. James Blair of this place, with being an habitual drunkard, while in command at this Post, and that he was totally incompetent to discharge the duties of his Office, I decide as a simple act of justice, to submit the following statement.

In the first place, I say, that the charge of drunkenness, is wholly gratuitous, not having the slightest foundation in fact, so far as my knowledge extends.

In the second place, I was an inmate of Col Adams' house, for about five months, during which time I not only never saw him drunk, but do not remember a single occasion when I even suspected him of being under the influence of liquor.

With reference to the charge of incompetency, I say, without hesitation that, in my opinion, there are but few Officers more thoroughly acquainted with the duties of a Post Commander, and none who could have discharged them, with more promptitude ^{and fidelity}, than Col. Adams.

I have known Mr Blair for sometime, many years, and have never for a moment questioned his integrity or veracity. I cannot therefore

Sir. A report having obtained circulation in relation to intemperance in Genl. John Adams during his residence in this place as former Commander of the Post. - I have been requested to state my opinion of the fact & my means of knowing the same. I would with pleasure state that I was acquainted with Genl. Adams while in Columbus; on several occasions had business with him in his office & my office being located in the same block of buildings & very near his Head Quarters, I met him almost daily. I never saw him in the slightest degree under the influence of ardent spirits or in any condition that was not in the strictest conformity with the most temperate habits. He always appeared to me, to be calm and collected under all circumstances and with his mind deeply interested and engaged with his official responsibilities.

including when public being furnished  
for the orders they have from the Genl.

On the point. Companies are  
now about being mustered in & the

General.

I send you a man who came to my camp to-day from the other side of the river. When he came to the river he represented to the man who set him over that he had urgent business with Col Scott. The man accordingly set him over in a canoe, leaving his horse on the other side. He went direct to Col Scott's quarters and made statements regarding the forces & movements of the enemy. - Col Scott brought him to me and upon subjecting him to an examination I was satisfied that he gave much correct information and some incorrect. He stated that he belongs to the 19th Penn. Regt Col Cummins and that he was captured at the battle of Shiloh, was taken nearly to Fort Warren - in a smash up on the R.R. made his escape - went to Baltimore thence to Richmond where he obtained a pass from President Davis which he exhibited to me. I saw at once that it was a forgery. It had the appearance

of a school boy hands. Upon telling him  
what I thought of it he said he had  
another. I asked him to show it.

He replied hesitating that it was where it would  
be inconvenient for him to get it. Upon again  
requesting to see it he said it was on the other  
side of the river - concealed in the skirt of his  
saddle. The paper he showed me was written  
for Urial Johnson. This name gave his name  
as Urial J. Gate. - Says the ~~the~~ stands in his  
name for Jones. I think it more probable  
that it is for Johnson.

I ordered him under guard and sent a  
trusty man for his saddle charging him to  
be careful and not lose any thing out of it -  
at the same time telling him my reason for  
this caution. The saddle was brought -  
upon inspection, it had the appearance  
of having had papers concealed in the  
left skirt but none were found.  
The other skirt was ripped open but  
nothing was found.

After returning the pap he showed me  
he tore it into small fragments.

I send him to you as I am satisfied  
he is a spy; but, as he claims to be  
able to fully establish his identity at  
Corinth, I deem it best he be sent  
there.

About two hours after he arrived  
a man arrived (sent by Maj Townsend who  
had been following him for two days and  
finally captured him in Gourdville Limestone  
Co. Ala. He corroborates my impression  
regarding him the prisoner.

I would call your attention to the  
fact that this man desires to establish  
his identity by men in East Tenn Regts.

Difficulties have for some  
time existed at Memphis  
in relation to the hospitals, which  
information we have from private  
sources seemed to indicate some  
personal from Official.  
Mr. M. has made Com-  
plaint of the bad treatment  
which he had received. I  
have endeavored to ascertain the  
facts to the Army, General  
has suggested I should sug-  
gest to the Army for Dr. M. to  
report at once to the Med. Dir.  
of the Army, and another  
Med. Officer ordered to Memphis  
in his place as soon as one  
can be found competent to  
take control of all the  
hospitals. The increased  
hospital accommodations is  
in my opinion not advoce-  
able -  
J. H. Francis  
J. H. Francis

in charge of the entire hospital  
which would require a more  
systematic surgeon, one thorough,  
a gentleman like Fenwick who would  
harmonize with the people and  
at the same time organize and  
control matters - at present there  
are numerous complaints of neglect  
even unto the death of patients through  
sheer neglect. How Sam Lane's case.  
I would suggest it would have  
separate hospitals - there is not room  
for them in the present establishment,  
nor medical attendants for them.

One feature of importance in State hospitals  
is that the nurses or some of them are  
sisters of Charity - I think if prepared  
some of these sisters could be obtained  
for the institution and would advise it should  
be done. A great many sick have been sent

A sicklebug would recommend persons  
be sent to St. Charles and other points. Mr

With regard to the hospital,  
as mentioned - the State Hospital under  
Rear Admiral & 'Living Hospital' under  
Genl. Turner & the Army are very well  
conducted. but I regret the 'Living  
Hospital' to be conducted in an  
objectionable manner. Because  
it was my intention at one of the  
to have disrupted the hospital for  
the purpose of cleaning it up.  
Inasmuch as there had been disruptions  
there also that the forming arrangements  
were defective. but before my object  
was entirely accomplished the Master  
returned to Memphis and indicated  
returning there over. The other hospitals  
being filled with wounded. The Master  
was then the General Agent for all  
there and his responsibility great  
of the local attendance. Also, Master  
Dr. Master is very important there and  
perhaps a drawback. Dr. Master is

Colonel,

In compliance with instructions from Ad. Quarters Army of the Mississippi the medical Surgeons Office has been removed with all the supplies to Jackson Miss. Notwithstanding this, requisitions are brought to me daily <sup>for approval</sup> for medical supplies and a number of them come direct from Corinth. I would respectfully ask if in any case I shall approve requisitions to be filled at the Drug Stores in this City?

Many medical officers coming here with requisitions represent their cases as very urgent and absolutely necessary for the treatment of the sick in the different commands to which they belong.

WAR DEPARTMENT

Memphis March 26, 1862.

Col E. Jordan

a. a. Gmb

Colonel,

In compliance  
with your letter of March 24th. /62  
I visited the Gun Boats about one mile  
and a half below this point. I saw  
the contractor? and two other persons  
I believe sent by order of Navy Dept  
to superintend the work.

The Contractor complains that Bradford  
in charge of foundry does not work  
with will and in fact has delayed  
the completion of the boats.  
I have directed the Provost Marshal to  
examine into this complaint and if  
necessary force Mr Bradford to complete  
the work contracted for by him  
with dispatch.

Rumor says the contractor himself  
is very slow but all agree the work  
to be substantial and supports the belief  
the boat now nearly ready to launch  
will be a superior Gun Boat.

~~The Contractor~~ Capt Shirley complains  
that he has had but little assistance  
and in fact a great deal of opposition  
to the speedy completion of the boats.  
The other boat is but barely commenced.  
Nothing but the ribs set up on the  
stocks. I forward a copy of Capt  
Shirley's Report. Over

The names of soldiers he wishes detailed  
he will be able to furnish to-morrow -  
I will forward them -

The man Chamberlin, Capt Shirley has  
applied for I submit the following in  
his case.

W. A. Chamberlin, Compy No. 2 ~~1st Regt~~ ~~Inf~~  
Vols - has been here at work on Gun  
Boat - but his Captain having reported  
him as a deserter, he was confined  
in Guard House - Capt Shirley represents  
him as a good workman and requires  
his services - I have therefore, in  
view of your letter of March 2nd, '62  
suspended his confinement and placed  
him again in charge of Capt Shirley  
to await further action in his case.

As I stated in  
my letter of the 17th inst I was obliged  
to move the Personnel from the first  
house I had thought of on account of  
the person who owned the building object-  
ing so strongly to having his house  
used for that purpose. The House  
which I now have <sup>there</sup> is the only suitable  
one in the city and the Quarterly Master  
pays \$30.00 per day for the use of  
it. Would it not be best to send them  
to Baton Rouge as they would be much  
more secure and less expensive

Sir.

Genl Beauregard's  
Order to detail men and furnish other assistance  
for the building of the Gun Boats at this point  
will very materially hasten the progress of  
the work.

I will need the detail of 25 or 30 more  
ship carpenters from the Army and the  
aid of the Provost Marshal there to  
procure additional material and the  
unobstructed transportation of the Guns  
now on the way from Richmond  
and Norfolk, with the proposed assistance  
of Genl B. I think we can safely cal-  
culate upon having one vessel ready  
for service in three weeks. She will  
be launched on Saturday next.

The other can be ready in six or seven  
weeks if I can get enough mechanics.  
I will exercise all the energy possible  
in hurrying forward the work, and on  
such parts as can be ~~very~~ hurried  
by night work, will work at night and  
every Sunday.

In reply to your letter of 22<sup>d</sup> Inst enclosing communication from Capt Saffarans I have the honor to say that the several Companies mustered into service for "Local Defence" have organized and elected A. M. Fouts Lieut Col.

For various reasons I think Lt Col Fouts better capacitated for the position than Capt Saffarans. He is very energetic and efficient Officer and has labored assiduously in getting up this Battalion and was I think unanimously elected by the Battalion as its Commanding Officer. I think Capt Saffarans had no hand in raising this Battalion.

I write in no disparagement to Captain Saffarans for I think he would make a very efficient Officer in the field though his habits and

Some time since I had  
the honor to write you in relation to some monies  
held here on special deposit. I am as yet without  
any instructions on the matter.  
There is a sum about five the money belonging  
to the Grant Indian Tank at Kentucky at Washington,  
amount unknown as it is all in sealed packages. The  
Office of the Grant of this tank is also here. The Governor  
of Kentucky sent one of his lying council  
here with written request that this money and property  
be returned even under a flag of truce if necessary.  
This is a matter of some importance and I am  
and I do not know so. The main reason for  
this is that six thousand dollars later from  
James Smith who came here from Ft. Henry  
and allege that it was placed in his charge  
at the evacuation of Ft. Henry by Captain  
McLanahan Post Commissary for State Building

Upon the arrival  
of Capt W & Johnson with  
his detachment there was  
discussion among his men  
as to whether they would  
for the war or for travel money  
to determine and fix their  
point. I had the men paraded  
and 28 out of thirty and the  
four company officers consented  
to enlist for the war.

I then sent for a Magistrate  
the four company officers & twenty  
eight privates were sworn into  
the service for the war.

Capt Johnson's first intention  
was to recruit a Company for  
12 months and therefore asked  
for 20 days. he is still confident  
he can get the required number  
for the war, but asks for some  
extension of time (over)

Although his men have been  
sworn into the service, yet as it  
was expected they were to be of  
his company, I have thought it best  
to permit the Captain to send  
a Lieutenant of the Company  
to head the platoon and remain  
with the detachment at  
this post for further instructions  
regarding this course will  
be approved

 all the officers (Generals)  
 brought forward (Bourgeois)  
 with whom I have served. have  
 recommended me and why  
 is it that I alone should  
 be rejected.  
 General will you as

 General

Some by mistake since  
 I wrote you concerning my  
 position. but you have so much  
 business of greater moment  
 to occupy your time I suppose  
 the letter has been overlooked  
 I wish me then General  
 to trouble you with this  
 I feel that there is a kind  
 of Freemasonry among officers  
 of the old Army which  
 will almost justify this  
 liberty. This added to the fact  
 that I have been and know  
 you will I hope excuse this

The only effort I

held by the President  
is Captain of Cavalry, have  
been on duty with the rank  
of Colonel assigned him by the  
Comd' General of the Dept and  
with the command of a Brig  
General nearly since the war  
began. Yet have received no  
provisional appointment from  
the President, although Genl  
Beauregard & others have  
recommended me in April last to  
the President for a Brig General.  
I have not heard whether any  
answer to this was received.

It might be said that my  
State should have done something  
for me - but Tennessee has not  
acted towards me differently  
as other States.

In July Genl Bragg ordered  
me to this post with the rank  
of Colonel to take command

of about 5000 troops at the time  
I reported to the General  
my rank was only Captain  
but he nevertheless assigned  
me as Colonel.

When Genl Pemberton assumed  
command I reported my rank  
rank. he has continued me in  
command and directed me to  
put the place in a thorough  
state of defense. There are about  
1500 troops under my command  
and I am working about 1000  
men on the fortifications.  
Genl Pemberton about a month  
since ~~forward~~ recommended me  
to the President for the rank of  
Colonel but the recommendation  
has not been heard from.

Is it just to require me to  
perform these duties with the  
nominal rank? You told me  
General a year ago that

My Dear Kellen has  
been delayed writing the note I make  
the balance - it has been unprop-  
er since 3 & 5 for 1861 - I am constrained  
to forward it now very incomplete -  
nearly the whole command are still  
left from Regts, Companies, or Detachments,  
I have not mentioned them by name because  
it would make the return too lengthy - found  
it impossible to balance the return from  
the nature of the diff<sup>r</sup> returns furnished me  
by commanders in their dispatches. The Citizens  
employees I have not reported - there are a great  
many in the hospitals - the 2nd Regt & the 69th  
but they have not furnished me a list

Have received some orders & letters, a  
great many telegraphic despatches, which are  
omitted - I have made requisition for  
Blount Port Returns but have received none

There is no militia in (any) house

owing to exist-  
ing circumstances I have considered  
it proper to acknowledge.

The circumstances  
are the great uncertainty at pres-  
ent of getting an answer from  
Genl. Polk's Head Qrs and the prob-  
able necessity for an immediate answer.

First - There are many men  
armed and equipped in and about Memphis  
desirous of offering their  
services for the present emergen-  
cy - say one or two weeks and asking  
for transportation to points, where their  
services may be required - others  
to join companies already in the  
service for twelve months - who are  
willing to join for the war if  
their companies should be such  
shall I grant transportation for  
those parties

Yesterday I received a dispatch  
from Genl Palk's Head Qr  
directing me not to muster in  
companies unless they are for the  
war - there is no <sup>city</sup> this, & company  
armed with Morynand. Rifles desires  
of entering the service for 12 months  
there are some two or three  
cavalry companies armed with  
shot guns offering their services  
for 12 months - thinking there  
might be some mistake in the  
dispatch - but not knowing  
whether a dispatch would reach  
Genl Palk I would respectfully  
ask for instructions.

There are also some few men and  
company Officers who have escaped  
from St. Louis arriving here  
most of them are now of life  
sick, and all desire to get back  
to their homes - in none of their  
cases are there more than  
six or eight from the same Regt.  
the Regts have been captured  
I hope Col that you may  
consider the foregoing of  
importance and answer
